Subject: FW: Dogs at NARA.....

Hi,

I want to go on record that the walking at NARA is so much more enjoyable since the leash restriction was put in place.

I was bitten years ago and still the fear comes when a dog runs up to me... Unleashed dogs nearly always run up and the owners are always shouting to me (their dogs are often far ahead of them), that their dog is friendly. The dog that bit me was 'friendly' also.

Thank you. There is now one place to go walking in Acton that feels safer.

I also am very grateful that the beach area is less contaminated with dog mess and urine. I know there are signs posted on the beach, but loose dogs don't read and neither do some of their owners.

I hope NARA will continue as a safe area.

Gratefully,

Nan Towle- Millett
